

GET UP N DANCE

CODE OF CONDUCT

The most important thing to us here at GET UP N DANCE is that our students have fun. Whether it be in a recreational or competitive setting our goal is to encourage all students to have fun, make friends and support their fellow class mates while working together to learn their dance(s) to the best of their ability, working toward a common goal to perform for their family and friends at competition and/or recital time.

The following behavior is unacceptable:

- Making fun of or ridiculing another student for any reason. This applies to inside or outside the studio, in person or through the use of social media and text messaging.
- Unhealthy competition between students or parents. We understand that competition is a normal part of dance but we expect that all students and parents support each other and understand that we are a studio with many students all of whom contribute equally to the success of this studio.
- Disrespectful behavior. This applies to all students, parents and employees of GET UP N DANCE. Please use social media responsibly.

Students not in compliance with the code of conduct will be spoken to and given a first warning. If the negative behavior continues we will contact parents and notify them of the situation. If this does not resolve the problem the student(s) involved will be suspended from participating in classes for a period of two weeks. Their absences during this time will not be excused.

If you are having any issues we want to know about them, we can't fix a problem we are unaware of.

I have read and understand this document:
